INVITATION LETTER FOR QR2MSE2024

To Whom It May Concern,

The 14th International Conference on Quality, Reliability, Risk, Maintenance, and Safety Engineering (QR2MSE2024) will be held in Harbin, Heilongjiang, China from July 24th to July 27th, 2024.

QR2MSE2024 is an international forum for the exchange of innovative ideas, cutting-edge research results, and applications of asset management, reliability, and quality tools in the design, manufacturing, as well as operation and maintenance of engineering systems.

The conference brings together top experts, scholars, and professionals in the field of reliability and safety from both domestic and international arenas. Several renowned experts have been invited to deliver keynote speeches at the conference. Participants will experience the latest developments in the discipline of reliability and safety from experts.

The conference has attracted active participation from a large number of domestic and international colleagues, receiving nearly 600 papers. After a rigorous review process, more than 280 papers/abstracts have been accepted. We warmly welcome experts and researchers, with or without submissions, in related fields to attend the conference to share the latest knowledge and experiences in the field.

More detailed information about the QR2MSE2024 can be found on the conference website at www.qr2mse.org. Please feel free to contact the conference secretariat at icqrms@uestc.edu.cn, if you need any further information.

Your participation is very much appreciated.

Best Regards!
